Help us pave the way to healthy oceans

Brick by brick we will pave the way to healthier oceans and sea turtles! Please consider purchasing a brick in our new expansion which will help LMC achieve our mission, “To promote conservation of ocean ecosystems with a special focus on threatened and endangered sea turtles.” Brick pavers are a wonderful way to leave a lasting legacy by honoring or memorializing someone special with a custom inscription.

Brick pavers are wonderful gifts to recognize a significant event or occasion, such as a birth, graduation, wedding, retirement, etc. The bricks can be engraved with a brief message and choice of logos and will be placed in our new expanded outdoor Sea Turtle Hospital.*

*Estimated completion year 2021, subject to change.
